Fra Presidenten:

Dear Restauration lodge members, I hope this finds you recovering from the derecho that happened three weeks ago. It is very encouraging to have power restored, internet service and to watch the walls of debris hauled away from the street. Jon Tehven past District 1 president and now SofN Foundation secretary called me after he learned of the damage to our area. He wanted lodge members to know of the Disaster Relief Grants that are available. Anne Olson, SofN Foundation Director sent details on how to apply for a disaster grant, info in a later article. Next Tuesday, September 8 we will have a Zoom meeting. Last month there was no internet service, so no meeting. I hope to see and talk with many of you, as we continue to social distance.

SON Foundation will provide funds for Disaster Relief!

Anne Olson, Sons of Norway Foundation Director, asked us to distribute information to Restoration Lodge members about disaster relief in light of the recent derecho disaster. She tells us she is happy to discuss with members specific needs or learn more about disaster relief for members.

"The Sons of Norway Foundation offers assistance to members who have property damage due to natural disasters that is not covered by insurance. We offer grants of up to \$5,000. More information including the guidelines and applications can be found here: <https://www.sofn.com/foundation/grants/> and scroll down to 'Helping Hands to Members – Disaster Relief Grants'."
